## Membership Application and Change Request Form

Please complete this form and send it to:  
CUG Office

Shepherdstown, WV 25443 USA

Any institution that owns or uses a computer system from SGI may join CUG and become a member site. Each member site designates an Installation Delegate who votes for that site in CUG elections and on other membership issues. The Installation Delegate is the principal point of contact for the site's ongoing relationship with CUG and with CUG members and assures that membership records are correct and fees are paid in a timely manner. The annual site membership fee is \$500 (USD) (a bill will be sent to you).

Instructions: **Please print clearly in block letters.**

- To apply for membership, complete all items below.
- To change information for an active CUG member, complete only those items that have changed.
- All applications and change requests must bear the signature of the Installation Delegate. In case of a change of Installation Delegate, both the old and new delegates should sign.
- Contact the CUG Office at the address above for assistance.

Please provide the name, phone number, and e-mail address for your SGI Sales Representative:
