Any institution that owns or operates a high performance computer system as defined in the handbook may apply to join CUG and become a member site. Each member site designates an Installation Delegate who votes for that site in CUG elections and on other membership issues. The Installation Delegate is the principal point of contact for the site's ongoing relationship with CUG and with CUG members and assures that membership records are correct and fees are paid in a timely manner. The annual site membership fee is \$750 (USD) (a bill will be sent upon acceptance of the application).

**Instructions: Please print clearly in block letters, then fax or mail it to the address above. If you complete this PDF form electronically (by completing the fields below), then please send it as an e-mail attachment to [cug@cug.org](mailto:cug@cug.org).**

- To apply for membership, complete all items below.
- To change information for an active CUG Member, complete only those items that have changed.
- All applications and change requests must bear the signature of the Installation Delegate. In case of a change of Installation Delegate, both the old and new delegates should sign.
- Contact the CUG Office at the address above for assistance.
