

CUG Members' Handbook, Appendix A

Membership Application and Change Request Form

Any institution that owns or operates a high performance computer system as defined in the handbook may apply to join CUG and become a member site. Any institutions that use a significant portion of another organization's high performance compute system as defined in the handbook may apply to join CUG and become an associate member site. Each site designates an Installation Delegate who votes for that site in CUG elections and on other issues. The Installation Delegate is the principal point of contact for the site's ongoing relationship with CUG, and with CUG members, and assures that membership records are correct and fees are paid in a timely manner. The annual site membership fee is \$750 (USD) (a bill will be sent upon acceptance of the application).

Instructions: Please print clearly in block letters, or complete electronically, then print and sign.
